

musical revivalists to the nations: "inspiring love in the home & revival in the church" since 1985

Dearest Partners & Friends,

Merry Christmas 2013!

Thank you for being a friend of this ministry! 2013 has been a year filled with *Family Concert Ministries*, *Marriage Retreats*, and *Concerts of Prayer & Worship* across America. We are seeing more hunger for Revival and Spiritual Awakening in our nation than ever before. **Thank you for praying for and supporting us as we have traveled since 1985 as...**

**"Musical Revivalists to the Nations:  
Inspiring Love in the Home & Revival in the Church"**

***The Prince of Peace...*** The dictionary defines "Peace" as: "Freedom from disturbance; quiet and tranquility." And yet as we look around our fallen world, we see anything BUT peace, don't we?! We hear noise everywhere, and see conflict, agitation and distress on every hand. But the good news is this: The "Prince of Peace" has come to bring peace in our personal lives, homes, churches, country, and world!

One of the highlights this year was leading 500 ladies through our *Concert of Prayer & Worship* in Cleveland, Ohio. One woman said, "You brought a sense of urgency that God is trying to get America's attention." and, "You touched my heart. I will pray more for revival!"

Isaiah 9:6 foretold of Christ's birth...

***"For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."***

And even now, Jesus can bring peace in OUR lives... At this very moment take a few minutes to thank Jesus for the incredible gift of salvation and the wonderful peace His presence brings. Ask Him to lead you into His rest this season and revive your heart to know and love Him more in the New Year.

### **Family Update**

Just a few weeks ago, our oldest son *Tyler*, and his wife *Elizabeth*, moved to Washington DC where he has taken an IT computer programming job. They are now renting a house just a few blocks from the Capitol. Though we are sad to see them move away from Nashville, we are so happy for Tyler that he has this opportunity for a good job in the field he wants to pursue.

*Travis and Marilyn* are still here in the Nashville area serving on the worship and media team in the church we attend. Marilyn does web-based app and computer programming full-time. And Travis is a computerized graphic art designer and photographer (he just recently designed the new cover for Oliver North's latest book). No grandkids yet; all in God's perfect time!

### **Recap of 2013**

**As we look back on a blessed year, we are grateful for so many things God has done...**

- 1.) God led us to sell our home and ministry center and move to a smaller base of operation. Now that our sons are married and we are no longer hiring staff, this change will allow us to travel with greater agility. Lord willing, we should be settled in by the time you receive this letter. Thank you for your prayers throughout this huge undertaking.

Some of the best studio musicians in Nashville have been assisting us with our new production. As we continue to write and record songs of prayer and revival for this new CD, churches are entering into prayer and worship with us, crying out to God with new fervency all across America!

2.) We have greatly progressed with our CD production. Though we wish it were finished, we think this will be our best recording to date. We believe the songs on this project express the heart of God. Focused on Prayer and Revival, we pray these new songs will inspire the church of America to unify in humble prayer to see the Spiritual Awakening we desperately need!

3.) We asked God to provide a newer, low-mileage van to give us the security of getting to our meetings safely and efficiently. YOU helped us, and God provided. We praise God and thank you so much!

4.) Besides ministering across America this year, we're now bringing what God is doing through our *Concerts of Prayer & Worship* nationwide right into our own local community. A few months ago, God led us to begin weekly "Evenings of Prayer & Worship" right in our home, starting with about 20 prayer warriors, to cry out to God for revival and awakening. Only God

knows all the fruit coming through these powerful gatherings every Thursday night. The presence of God is strong and these prayer and worship times are potent. This is just an extension of what God is doing through our *Concerts of Prayer & Worship* in churches across this nation. We encourage you to join us any time you are coming through Nashville on a Thursday night!
